**SAILING INSTRUCTIONS**

There are a few sailing instructions to which I would like to draw your attention.

- SI 4        There are two official regatta notice boards, one at ABYC and the other at LBYC. They should both contain the same information.
- SI 6.1     Signals made ashore will also be made at both clubs.
- SI 12.5    When rule 30.1 (I-Flag) or 30.2 (Z Flag) is in effect the RC will attempt to any broadcast her sail number on the designated VHF channel at the time they are over, that is prior to the starting signal.

SI 12.6 When a boat is over at the start the RC will attempt to broadcast her sail number on the designated VHF channel.

SI 18 Arbitration will be in effect for protests involving an alleged breach of a rule of Part 2
