

# ULLMAN SAILS LONG BEACH RACE WEEK

JUNE 26 - 28, 2015

## ALAMITOS BAY MARINA AERIAL VIEW

### MOORINGS

This aerial view of Alamitos Bay shows the basins & gangways in the Marina. Due to the ongoing improvements of the Alamitos Bay Marina, some gangway numbers are temporarily duplicated, therefore gangways

should be referenced by both the basin number and gangway number. Visiting boats will be assigned to specific slips or endties in basins 1, 2, 3, or 4; alternatively to either ABYC basin 5 or the LBYC long dock.
